

# Gathering of members of the Section for Innovation in Rudolfovo - Science and Technology Centre

13 February 2024

From 12.30 to 14.30.

Location: Business Incubator Podbreznik, Podbreznik 15, 8000 Novo mesto

Section for Innovation (SINO) of the GZDBK invites you to visit the Rudolfovo - Science and Technology Centre, located in the Business Incubator Podbreznik.

The meeting will start with a meeting of the Section for Innovation, where the President of the Section, Zvone Simončič, PhD, from Krka, d. d., Novo mesto, will inform the attendees about the work of the Section in the past period and the future work programme. This will be followed by an address by Tomaž Kordiš, Manager of GZDBK, on the state of Slovenia in the field of digitisation today and on the future directions of digital transformation for our society (not only for companies). The SRC-EDIH project will also be discussed.

Then, the attendees will be introduced to the Rudolfovo, which was established in Novo mesto in April 2022.

You are cordially invited!

## PROGRAM

12.30 - Gathering of members of the Section for Innovation

12.45 - Digital transformation strategy

12.55 - Program of the host

14.30 - Conclusion of the meeting

We invite all members of the Section for Innovation (SINO), as well as all others who would like to become one, to visit the company. Membership in the section is free for all employees of companies that are members of GZDBK.

The number of places is limited. Participation is free and is only possible for GZDBK members after prior registration.

Members of the Section for Innovation have priority in occupying available places.

Additional explanations: Nina Šab, MSc, 07 33 22 185, [nina.sab@gzdbk.si](mailto:nina.sab@gzdbk.si).

The event takes place as part of the [SRC-EDIH project](#).

Hosts:

#### Business Incubator Podbreznik (PIP)

The business incubator Podbreznik (PIP) enabled the effective creation and development of more than 55 companies, which created over 180 jobs. Staying with other companies, numerous business events and

programs offer companies new opportunities for cooperation and development of the business, quality education, finding new experiences and spreading the company's visibility. An important group of incubators are potential entrepreneurs and young people, who GET KNOWLEDGE through individual consultations, mentoring programs, startup weekends, etc. We help them to develop a business idea. These groups also have a favorable coworking space available. More: <https://www.rc-nm.si/podjetniski-inkubator/>

#### Rudolfovo - Science and Technology Centre Novo mesto

The Public Research Institute Rudolfovo – Scientific and Technological Centre Novo mesto was established on 23 March 2022 by the Government of the Republic of Slovenia to support technological development and innovation in South-Eastern Slovenia and the Cohesion Region Eastern Slovenia, and thus in Slovenia as a whole. The research groups of Rudolfovo includes: Laboratory for Factories of the Future, Centre for Digital Transformation, Centre for Circular Economy, Centre for Technology Transfer and Intellectual Property.
