Visit to REM Company and SI Meeting

March 19, 2026
12:00 PM start
3:00 PM end
REM, d.o.o. (Industrijska ulica 3, Trebnje)

Fee: The event is organized exclusively for GZDBK members. Participation is free, but prior **e-REGISTRATION** is mandatory. The registration deadline is March 16, 2026. The number of spots is limited.

The **Informatics Section (SI)** is organizing an exchange of best practices. This time, we will visit REM company, which plays an important role in the production of more complex modular prefabricated buildings across Europe and beyond. They specialize in the design, production, and assembly of complex modular prefabricated buildings and engineering.

The purpose and goal of such events is to exchange best practices in the use, development, and innovation in business operations using modern ICT system management approaches and tools. These events enable GZDBK members to connect, thereby strengthening the flow of knowledge, experience, and opinions, and thus adding value for each participant. You are cordially invited! Informatics Section (SI). **More about the section's work >**

All those who would like to actively participate in the section's work as members of the executive board are cordially invited to submit their application. Membership in GZDBK sections is free for all employees of our member companies. **SI Membership Application**

REM is among the leading modular construction companies in Slovenia. With their flexibility, speed, and sustainability, they enable high-quality execution of complex buildings since 2001. They install their complex modular prefabricated buildings across Europe and beyond. They specialize in the design, production, and assembly of the most complex modular prefabricated buildings and engineering. The area where 300 employees design and produce measures 22,854 m². They generate over 40 million euros in annual revenue.
