Membership in GZDBK professional sections is free of charge for employees of companies that are members of GZDBK.

GZDBK currently has six professional sections.

Each section has:

- an Executive Board (EB),
- a Section President,
- an annual members' assembly,
- an annual professional day,
- forums of successful business practices (hosted visits to companies in the region and beyond), and
- other events and activities (projects, awards, recognitions), tailored to the actual needs of each individual professional section.

The meeting agenda also includes discussion of the SRC-EDIH 2.0 project.

Membership in a professional section is beneficial both for employees and for the companies where they work. Membership in the sections is free of charge for employees of companies that are members of GZDBK.

Executive Boards (working bodies of professional sections) hold between 3 and 5 working meetings per calendar year. During these meetings, they determine the programme and implementation of the section's activities.

Companies that are members of GZDBK may nominate their representative (employee) to serve on the Executive Board of an individual professional section and thereby directly participate in shaping and implementing the section's work programme.
