

Visit to the Mikrografija Company with Information Technology Section Members

September 9, 2026

1:00 p.m. – start

3:00 p.m. – end

Mikrografija (Foersterjeva ulica 10, Novo mesto)

Participation fee: Participation is free of charge, but **prior registration is mandatory**. The deadline for registration is **September 7, 2026**. The number of places is limited. GZDBK members have priority for available places.

The **Information Technology Section (SI)** is organizing an exchange of best practices. This time, we will visit Mikrografija, an international company offering advanced digital solutions and services tailored to the needs of both small and large organizations. The company also provides secure IT cloud storage for documents.

Purpose and objective: The purpose of these SI events is to exchange best practices in the field of advanced ICT solutions, thereby strengthening the flow of knowledge, experience, and opinions and creating added value for every participant.

You are cordially invited!

Mikrografija, d. o. o., Novo mesto: Mikrografija employs experienced professionals in the fields of information technology, document management, and archiving. They continuously expand their knowledge and expertise, both in Slovenia and abroad.

For more than 30 years, they have been providing optimal solutions for their clients and are always ready to take on new business challenges. Through innovation, flexibility, and continuous learning, their employees contribute to the efficient and successful implementation of projects and to establishing the best possible foundations for digital business operations within their own company and their clients' organizations.

Information Technology Section (SI)

Everyone interested in actively participating in the work of the section as a member of the Executive Committee is warmly invited to submit an application.

Membership in GZDBK sections is free of charge for all employees of companies that are members of GZDBK.
