

Open Day Held as Part of the European Researchers' Night

1 September 2026

Rudolfovo – Science and Technology Centre Novo mesto will host several free events on Friday, 25 September 2026, as part of the European Researchers' Night.

The main event will be an open day entitled *"Science Keeps Pace with Life"*. Visitors will be able to take part in scientific demonstrations and learn more about the work of researchers in Novo mesto.

Five Rudolfovo research centres will be presented, working in the fields of advanced technologies and digitalisation, circular economy, technology transfer, entrepreneurship and intellectual property, and applied quantum computing.

Some of the laboratories and technologies presented as part of the open day can also be tested through the Test Before Invest service, which Rudolfovo provides to companies as part of the SRC-EDIH 2.0 project.

The events are free of charge and open to visitors of all ages. Prior registration is required for some activities.

Further information and registration are available by email at katja.sinur@rudolfovo.eu.
