Membership in GZDBK's professional sections is free of charge for employees of GZDBK member companies.

GZDBK has [six professional sections](#)!

Each section has:

- an executive committee (EC),
- a section chair,
- an annual general meeting of members,
- an annual professional event,
- forums showcasing successful business practices (visits to companies in the region and beyond), and
- other events and activities (projects, awards and recognitions) tailored to the actual needs of each professional section.

The SRC-EDIH 2.0 project will also be discussed at the meeting.

Membership in a professional section benefits both employees and the companies they work for. Membership in the sections is free of charge for employees of GZDBK member companies.

Executive committees (the working bodies of the professional sections) hold between three and five working meetings per calendar year. At these meetings, they determine the professional section's work programme and its implementation.

GZDBK member companies may nominate an employee to serve on the executive committee of an individual professional section and thus participate directly in shaping and implementing the section's work programme.
