

Visit to REM and SK Executive Committee Meeting

23 November 2026

12:00 Start

15:00 Finish

REM, d. o. o. (Industrijska ulica 3, Trebnje)

Participation fee: Attendance is free of charge, but prior [ONLINE REGISTRATION](#) is required. The registration deadline is 19 November 2026. The number of places is limited.

The [Quality Section \(SK\)](#) is organising an exchange of good practices. This time, we will visit REM, a company that plays an important role in the production of sophisticated modular prefabricated buildings across Europe and beyond. It specialises in the design, manufacture and installation of sophisticated modular prefabricated buildings and in engineering services.

The purpose and objective of these events is to exchange good practices in quality, application, development and innovation in business, with a focus on modern approaches to ICT systems, practices and tools. Such events provide opportunities for networking and connecting GZDBK members, strengthening the flow of knowledge, experience and opinions and thereby creating added value for every participant.

You are warmly invited!

REM, d. o. o.

[REM](#) is one of Slovenia's leading companies in modular construction. Through its flexibility, speed and sustainability, it has delivered high-quality complex buildings since 2001. Its sophisticated modular prefabricated buildings are installed across Europe and beyond. The company specialises in the design, manufacture and installation of highly sophisticated modular prefabricated buildings and in engineering services. Its 200 employees design and manufacture products at a 22,854 m² facility. The company generates more than EUR 40 million in annual revenue.

Quality Section (SK). [More about the section's work >](#) Everyone interested in actively contributing to the section as a member of its Executive Committee is warmly invited to submit an application. Membership in GZDBK sections is free of charge for all employees of member companies. [SK Membership Application Form](#)

12:00: Reception of participants at the company

- 12:10 Welcome address by company management
- 12:15 Production tour
- 13:00 Company presentation, presentation of the quality department, development projects and the company's operating processes
- 14:00 3rd SK Executive Committee meeting (the section's 2027 work programme)
- 14:15 Socialising/networking for all participants

The meeting is expected to conclude, with departure from the company, between 15:00 and 15:30.

Registration: Attendance is free of charge, but prior [ONLINE REGISTRATION](#) is required. The registration deadline is 19 November 2026. The number of places is limited.
