Membership in professional sections of the GZDBK is free for employees of a company that is a member of the GZDBK.

Sections, the board of directors and the supervisory board are bodies that operate at the Chamber of Commerce of Dolenjska and Bela Krajina (GZDBK). Sections have members of the Section Executive Committee. The program and operation of the section is formed and directed at regular working sessions of the section. The work of the section (and other bodies of the chamber) is also the inclusion of members in all projects of the GZDBK.

GZDBK informs, connects and includes its members and the rest of the public in all projects in which it is involved.

The SRC-EDIH project was also discussed as part of the meeting.

Only members and invited participants can attend working sessions of GZDBK bodies. Other GZDBK events are attended by all interested parties, as these events are generally public.

GZDBK informed those present about the SRC-EDIH project and handed over the presentation material. Those present are notified that GZDBK also communicates with the public about the project via the website: <https://www.gzdbk.si/si/projekti/src-edih/>

The event takes place as part of the SRC-EDIH project.
