

## 1st Meeting of the Executive Committee of the Section for Environment and Energy 2026

When: 17 February 2026, at 13:00

In the GZDBK meeting room (2nd floor, Novi trg 11, Novo mesto).

[The Executive Committee \(IO SOE\)](#) is a working body of the professional Section for Environment and Energy ([SOE](#)) at GZDBK.

[Application form for SOE membership](#) >

Membership in GZDBK's professional sections is free of charge for employees of companies that are members of GZDBK.

GZDBK has [six professional sections](#) in operation.

Each section has:

- An executive committee (IO)
- A section chair
- An annual members' assembly
- An annual professional/technical day
- Forums showcasing successful business practices (company visits in the region and beyond)
- Other events and activities (projects, awards, recognitions), tailored to the actual needs of each professional section

As part of the meeting, the SRC-EDIH project will also be discussed.

Membership in a professional section is beneficial for both employees and the companies they work for. Membership in the sections is free of charge for employees of companies that are members of GZDBK.

Executive committees (working bodies of the professional sections) hold 3 to 5 working meetings per calendar year. At these working meetings, they define the programme and the implementation of the section's work.

Companies that are members of GZDBK may nominate their representative (an employee) for appointment to a seat on the executive committee of an individual professional section, thereby directly participating in shaping and implementing the professional section's programme of work.

Additional information: mag. Nina Šab, +386 7 33 22 185, [nina.sab@gzdbk.si](mailto:nina.sab@gzdbk.si)

The event is held as part of the [SRC-EDIH](#) project.
