

GZDBK Innovation Exhibition 2025

The opening ceremony of the exhibition will take place on 11 September 2025 at 13.00 on the Main Square in Novo mesto.

The opening and the exhibition are free of charge for all participants. The exhibition will be on display until 17 October 2025.

The Chamber of Commerce of Dolenjska and Bela krajina has been promoting an innovation culture among companies and individuals for many years. Through various programs, workshops, and calls for proposals, it enables the development of innovative solutions that contribute to the region's competitiveness. Each year, the Chamber announces a call for the best innovations, where an expert committee evaluates the submitted projects and awards recognition for the most outstanding achievements. Over the eighteen years of our calls for proposals, innovators have submitted 396 innovations, and during this period, we have awarded 137 gold, 189 silver, and 54 bronze recognitions, as well as 15 diplomas.

We are proud to note that, in terms of the number of submitted innovations, the Chamber of Commerce of Dolenjska and Bela krajina is the most successful region in Slovenia!

The GZDBK Innovation Exhibition presents the most prominent innovative achievements of organizations from the region, which, with their creativity, knowledge, and courage, co-create the future of the economy. The event is an opportunity for innovators, entrepreneurs, researchers, and all those who believe in the power of ideas and progress to meet and connect.

We invite you to join the opening of the exhibition, which will take place on Thursday, September 11, 2025, at 1:00 PM at Glavni trg in Novo mesto. The exhibition will be on display until October 17, 2025.
