

Gathering of members of the Section for Informatics in the Business Incubator Podbreznik

25 May 2023

From 12.30 to 14.30.

Location: Business Incubator Podbreznik, Podbreznik 15, 8000 Novo mesto

Section for Informatics invites you to visit the Business Incubator Podbreznik.

Business Incubator Podbreznik is a place for new innovative companies. They offer environment with modern infrastructure and a wider range of consulting and mentoring services.

Gathering will begin with a meeting of the Section for Informatics. President of the section, Andrej Železnik from the company TEM Čatež, d. o. o., will introduce the work of the section in the past period and the work program for the future. This will be followed by a speech by Tomaž Kordiš, director of GZDBK, about the state of Slovenia in the field of digitization today and the guidelines for digital transformation in the future. The SRC-EDIH project will also be discussed at the meeting. After that, business incubator Podbreznik and Rudolfovo - Science and Technology Centre Novo mesto will introduce themselves. The meeting will end with a refreshments. Attendees will have the opportunity to socialize and network.

PROGRAM

12.30 - Gathering of members of the Section for Informatics

12.45 - Digital transformation strategy (Tomaž Kordiš, manager of GZDBK)

12.55 - Program of the host

14.30 - Informal gathering

We invite all members of the Section for Informatics (SI), as well as all others who would like to become one, to visit the company. Membership in the section is free for all employees of companies that are members of GZDBK.

The number of places is limited. Participation is free and is only possible for GZDBK members after prior registration.

Members of the Informatics Section have priority in occupying available places.

Additional explanations: Nina Šab, MSc, 07 33 22 185, nina.sab@gzdbk.si.

The event takes place as part of the SRC-EDIH project.

SRC-EDIH
Smart, Resilient and Sustainable Communities -
European Digital Innovation Hub

Co-funded by
the European Union

Hosts:

Business Incubator Podbreznik (PIP)

The business incubator Podbreznik (PIP) enabled the effective creation and development of more than 55 companies, which created over 180 jobs. Staying with other companies, numerous business events and programs offer companies new opportunities for cooperation and development of the business, quality education, finding new experiences and spreading the company's visibility. An important group of incubators are potential entrepreneurs and young people, who GET KNOWLEDGE through individual consultations, mentoring programs, startup weekends, etc. We help them to develop a business idea. These groups also have a favorable coworking space available. More: <https://www.rc-nm.si/podjetniski-inkubator/>

Rudolfovo - Science and Technology Centre Novo mesto

The Public Research Institute Rudolfovo – Scientific and Technological Centre Novo mesto was established on 23 March 2022 by the Government of the Republic of Slovenia to support technological development and innovation in South-Eastern Slovenia and the Cohesion Region Eastern Slovenia, and thus in Slovenia as a whole. The research groups of Rudolfovo includes: Laboratory for Factories of the Future, Centre for Digital Transformation, Centre for Circular Economy, Centre for Technology Transfer and Intellectual Property.
