

Gathering of members of the Section for Environment and Energy in School center Novo mesto

6 March 2024

At 13.30.

Location: School center Novo mesto, Šegova ulica 112, Novo mesto

Section for Environment and Energy (SOE) of the GZDBK invites you to visit School center Novo mesto

The meeting will start with a meeting of the Section for Environment and Energy, where the President of the Section, Slavko Zupančič from Krka, d. d., Novo mesto, will inform the attendees about the work of the Section in the past period and the programme of work for the future. This will be followed by an address by Tomaž Kordiš, Director of GZDBK, on the current topics of the SRC-EDIH project.

Then, the attendees will hear a presentation of the School center Novo mesto, which also includes the Higher Vocational School and the Faculty of Industrial Engineering. You are cordially invited!

PROGRAM

13.00 - Gathering of members of the Section for Environment and Energy

13.15 - Update on the SRC-EDIH project (Tomaž Kordiš, Manager of GZDBK)

13.25 - Presentation by the host

15.00 - Conclusion of the meeting

We invite all members of the Section for Environment and Energy (SOE), as well as all others who would like to become one, to visit the company. Membership in the section is free for all employees of companies that are members of GZDBK.

The number of places is limited. Participation is free and is only possible for GZDBK members after prior registration.

Members of the Section for Innovation have priority in occupying available places.

Additional explanations: Nina Šab, MSc, 07 33 22 185, nina.sab@gzdbk.si.

The event takes place as part of the [SRC-EDIH project](#).

Host:

ŠOLSKI CENTER
NOVO MESTO

School center Novo mesto is a leading educational institution in south-eastern Slovenia, offering a wide range of educational programmes for students and adults. The Centre brings together several secondary schools. It also offers adult education opportunities and a number of additional programmes and activities to enrich the educational experience of students. School center Novo mesto boasts a long tradition, quality staff and modern facilities that enable effective learning and preparation for future challenges. More at www.sc-nm.si. The Novo mesto School Centre also includes a Higher Vocational School and a Faculty of Industrial Engineering.
