

Podgorje presented its staff management practices to the members of the Executive Committee of the Section for Human Resource Management

The Chamber of Commerce of Dolenjska and Bela Krajina (GZDBK) facilitates tours of business practices and exchange of knowledge for its members, and this time (6.12.2023) the Section for Human Resource Management (SRČV) hosted the company Podgorje, d. o. o. from Šentjernej.

Podgorje's products are among the most modern and comprehensive in the range of furniture products for the caravanning industry in the world. They offer their customers, who are at the centre of their attention, comprehensive technical advice and support at all stages of their projects, from design and construction through to flawless production. One of the key foundations of Podgorje's success is its employees. They employ people who want to contribute to the success of the company and who are passionate about bringing customers' ideas to life. They provide employees with a rewarding career path, a pleasant working environment and a good balance between career and personal goals.

After an introductory greeting by the Managing Director Denis Stepančič, the participants had a tour of the production and listened to a presentation of the company and the human resources management area.

The visit to Podgorje also marked the last meeting of the the Executive Committee of the Section for Human Resource Management in 2023. The working session approved the minutes of the last meeting, agreed the date for the 1st meeting next year and discussed the Section's programme of activities for 2024.

The visit was concluded with an exchange of views, insights and experiences over a banquet.

The event takes place as part of the [SRC-EDIH project](#).
