

Presentation of the SRC-EDIH project at MOS

You are invited to visit us at the MOS fair, which this time takes place in Celje from 13th to 17th September 2023.

Today, on 14th September, the Development Center Novo mesto, Mikrografija and RIC Bela krajina are presenting the SRC-EDIH project, a digital innovation hub from Novo mesto. You can find them in Hall L1 at the Ministry of Digital Transformation stand.

The event is part of the [SRC-EDIH project](#).
