

## SOE visits the School Centre Novo mesto

The first meeting of the Section for Environment and Energy (SOE) of the Chamber of Commerce of Dolenjska and Bela Krajina (GZDBK) took place on 6 March 2024 at the Novo mesto School Centre. The meeting was divided into two parts. First, the executive committee of the section held a working session. At 13:00, the Section meeting followed, where the President of the SOE, Dr. Slavko Zupančič from Krka, d.d., Novo mesto, presented the work of the Section in the past period and the future work plan. The participants were also addressed by mag. Nina Šab, Administrator of the GZDBK Sections. She presented the current services available on the SRC-EDIH web portal and invited the attendees to visit and use the services of the SRC-EDIH project.

This was followed by a presentation of the School Centre Novo mesto, which is a leading educational institution in SE Slovenia. It offers a wide range of educational programmes for current professions. The School Centre Novo mesto also includes a Higher Vocational School and a Faculty of Industrial Engineering.

The event ended with networking and an exchange of views.

The event takes place as part of the [SRC-EDIH project](#).
