

## Visit to TEM Čatež

26st September 2023

From 13.00 to 15.10.

Location: TEM Čatež d.o.o. Čatež 13, Velika Loka

Participation is free of charge, but [pre-registration](#) is required.

Priority for available places goes to members!

[Membership of the GZDBK's sections](#) is free of charge for persons employed by a GZDBK member company. [Join the Section for Informatics](#).

All Sections are featured both on the [website](#) and in the [Publication](#), which was published on the 15th anniversary of the GZDBK in June 2022.

The event is organised by two sections of the Chamber of Commerce of Dolenjska and Bela Krajina (GZDBK): the Section for Informatics ([SI](#)) in cooperation with TEM Čatež d.o.o.

### Exchange of good business practices

The GZDBK organises a number of forums, visits and exchanges of good business practices for companies, entrepreneurs and other working organisations. The Executive Committees of each Section draw up their own annual programme of activities and, as part of this programme, each Section ensures the exchange of good business practices through visits. This time, SI have set a visit to TEM Čatež d.o.o.

### TEM Čatež d.o.o.

TEM Čatež is a leading manufacturer of modern and aesthetically pleasing switches and sockets in the region. For half a century, they have been providing their users with a positive and easy experience, along with simple installation and product usage, a wide range of colors and materials to meet even the most demanding preferences of every user and space. Learn more about the company: <https://www.tem.si/o-podjetju/>

TEM. Designed for every space. (On | Off and everything in between.)

In their operations, they are guided by fundamental values of honesty, openness, mutual trust, and collaboration. They provide their partners with a positive and easy experience with the company and its products.

They ensure an open and transparent partnership with everyone involved in everyday work processes, as they aim to offer a good user experience to their users.

With their potential and values, employees come together to contribute to the high quality of business operations and the growth of the company."

### Content

pon arrival at the company (Čatež 13, Velika Loka), please be punctual as visitor registration at the reception is required. We will then proceed together to the company.

Within the company, we will listen to the host, the President of the IT Section, Andrej Železnik, who will introduce the company and deliver a welcome address. He will also present the company and discuss the management and development of automation, digitization, robotics, and IT security within the company. We will also address the innovation ecosystem and networking, which we promote at GZDBK, including through the SRC-EDIH project. Following this, there will be a tour of the production facilities.

The visit will conclude with a social gathering where attendees can freely exchange thoughts, insights, and experiences.

AGENDA:

13.00 - Reception of participants at the company's factory

13.05 - welcome speech by the host

13.30 - Innovation Ecosystem and Networking (SRC-EDIH)

13.40 - guided tour of the production site

14.10 – 15. 10 - Time for attendees to mingle over a banquet
